

The background features a series of concentric circles in light gray and dashed lines, creating a ripple effect. A large red callout box with a downward-pointing arrow at the bottom center contains the text.

Designing a 504 Plan that works for your child!

Tips from CF Mom

Jennifer Stover

Accommodations for K-5

1. The student will take their enzymes under the supervision of the office staff, not in the nurse's office due to concern of other sick children being in there.
2. Student will be allowed extra time to finish lunch or snack if needed.
3. Student will be allowed to keep a water bottle at his/her desk and take it with them throughout the day.
4. Student will be allowed to keep hand sanitizer at his/her desk and use it as needed.
5. Student will have access to sanitizing wipes to clean his/her desk or work station as needed. Student will have access to the bathroom as often and as long as needed.
6. If a fellow student is showing signs of illness (cough, sneezing, etc) the teacher will make sure CF student is far enough away.
7. In the hot months of school, a portable air conditioner is installed in the child's classroom.
8. Student will not be placed in a nut free classroom.
9. A tutor will be provided in school or at home depending on the needs of the child

Accommodations for 6-8

We kept all of the previous accommodations and added these new ones – there was another student with CF in the school

1. Student will not be placed in a classroom or on the same teaching team as another student with CF.
2. Student will have access to the school nurse as needed. Teacher will notify the nurse that the student is coming down to make sure the other CF student is not already there.
3. Student/Staff are aware the two CF students need to remain 6 feet away from each other.
4. Student will take PE the second semester to assist with hot/humid weather concerns.
5. Student will self-limit activity on hot/humid days as needed.
6. School will work with student regarding any missing/make-up work and grading regarding extended absences if needed.

Accommodations for High School

At this point, the student is responsible for own self care. Her 504 is written this way.

THE STUDENT:

1. Will carry a 1 day supply of enzymes in his/her lunch bag and will be able to self-administer.
2. Will clean surfaces and hands as needed.
3. Will move his/her seat when concerned with other sick students.
4. Will access the school nurse as needed.
5. Will carry a water bottle as needed.
6. Will maintain a minimum of 6 feet away from any other child with CF.
7. Will work with teachers regarding any missing/make-up work and grading regarding extended absences if needed.

THE PARENT:

1. Will continue with good home/school communication.
2. Will provide student with hand sanitizer/ and enzymes.
3. When calling student in tardy/absent/dismissal will notify the school when this is due to the medical condition.
